What We Do

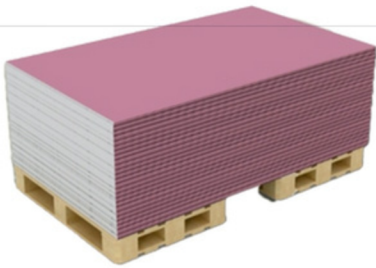

- **SUPPLIER OF GYPSUM AND BUILDING MATERIALS.**
- **HIGH-QUALITY PRODUCTS AT COMPETITIVE PRICES.**
- **TRUSTED BY CONTRACTORS AND BUILDERS.**
- **RELIABLE SERVICE AND FAST DELIVERY.**

Danalsahab is a reliable supplier of gypsum and building materials, offering quality products that meet the needs of contractors and builders. The company focuses on providing dependable service, competitive pricing, and timely delivery to support construction projects of all sizes. With a commitment to quality and efficiency, Danalsahab serves as a trusted partner in the building industry.

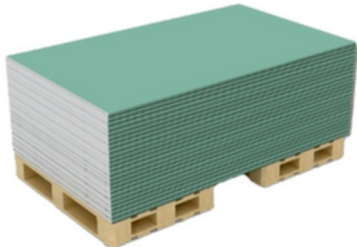

Our Products

Gypsum Boards

Fire Resistant Gypsum Board

Fire Resistant Gypsum Board is a high-performance wall and ceiling material designed to provide superior fire protection and structural integrity. Manufactured with a specially formulated gypsum core reinforced with glass fibers, it offers exceptional resistance to fire, heat, and smoke. This board is ideal for use in commercial, residential, and industrial buildings where enhanced fire safety is a priority.

Moisture Resistant Gypsum Board

Moisture-Resistant Gypsum Board (Green) – 12.5mm thick, designed for humid areas like bathrooms, kitchens, and utility rooms. Features a water-resistant treated core, green face paper, and excellent mold and fire resistance for long-lasting performance.

Premium Tools Built for Strength.

We provide high-quality, durable tools for gypsum, ceiling, and construction work. Designed for professionals who demand reliability.

Our Products

Power Tools

Total Tools 51-Piece Drill And Accessories Set Blue/White/Black

20v decoder and connectors designed with a compact and lightweight design Lithium-ion battery maintains charging when not in use so you need to recharge it less often

Constructed of superior grade material that proffers immense usage

Enables its user to carry out the drilling tasks more easily

Improves and maximizes the efficiency of work

TOTAL Drill Rotary Hammer SDS Plus 800W TH308268

Take on demanding drilling and demolition projects with the TOTAL TH308268 Premium 800W Rotary Hammer Drill! This powerful tool boasts an 800W motor and delivers a 2.5J impact energy, making it capable of drilling through concrete (up to 26mm), steel (up to 13mm), and wood (up to 30mm) with ease.
